TERMS & conditions

MODELS & HEADBLOCKS

Alongside each course listed in this book, we have provided information regarding whether the practical element of the course will be carried out using a live model or a headblock. Please note that even for those courses marked 'model', we cannot always guarantee models due to cancellation or unforeseen circumstances. In such cases, we will provide you with a headblock. Headblocks allow unrivalled creativity and complete freedom without any restrictions, and the hairdresser can be as creative as they wish.

In those courses that use a live model, you are always free to bring your own model. Please notify the studio of this when booking your course. If your model is a salon team member then they can enjoy the demonstration and theory of the course free of charge! Please make sure your model will allow you complete control over the work you carry out during any workshop, and ensure your model has been skin tested 48 hours before the seminar with the brands and shades you wish to use, following our Wella Professionals guidelines. Please bring a record of the skin test as evidence when you attend the course.

PAYMENT TERMS

Full payment is required 28 days before the course start date (subject to changes).

MYEDUCATION FUND – applicable to the UK only.

MyEducation Fund may be used as full or part payment against any published studio course. MyEducation Fund must be used, and the course taken, by the expiry date.

CANCELLATION POLICY

Course bookings are subject to cancellation if payment is not received. A minimum of 14 days notice is required for a full refund except for Master Colour Programme and Wella Artists courses where a minimum of 28 days notice is required. No refunds will be given after this period.

SPECIALIST PROGRAMMES

All courses within a Specialist Programme must be taken within 12 months, except for Ultimate Wella Colourist. All courses in the Ultimate Wella Colourist Specialist Programme must be taken within 18 months. All courses within one Specialist Programme must be attended by the same person. All Specialist Programmes must be prepaid in full before attendance of the first course. Specialist Programmes are non-refundable and if you need to cancel a course, another date or course of the same value can be arranged and must be undertaken within 12 months of the programme being booked.
