PRE-LIGHTENING

1
Start from the nape area. Weave the sections and lighten them from the lengths to the ends.

2
On the top sections, use the Ecaille technique, leaving horizontal areas uncolored.

3
Continue on the sides with the Ecaille technique.

TIP
Use a dry brush to soften the edges on sections with the Ecaille technique.

TONING

1
Divide the hair into 3 circles.

2
Start applying color A from the roots to the ends.

3
Continue with color B on the middle part.

4
At last put color C on the top part.

STYLE

1
After rinsing, apply Oil Reflections in damp hair for smoothness and shine.

2
Blow-dry the hair with a round brush.

3
Finish styling.
