vintage wood brunette

Brunette tones from deep subtle mahogany to light amber hues create a gentle contrast and give a premium vintage feel. To create a seamless gradient finish aim for a transition between shades to not exceed three depths.

Your shade palette.

This finish is achievable on all depths

For light mahogany wash: Pure glossing service with Koleston Perfect

For a natural hue: Use a blending technique with Illumina Color for a lived in feel

For reflective deeper tones: For a multi facetted deep brunette use Color Touch

Section like this

Step 01

Apply formula **A** 1 cm off the root in the larger front section.

Step 02

Continue in the same way in the other two sections with formula **B**.

Step 03

In an irregular pattern through out the top section, leave every other section uncolored. For the colored sections use formula **C** at the roots and alternate formula **A** and **B** on the ends. Blend together using your hands.

Step 04

Develop for 30-40 min, shampoo and neutralize with INVIGO Post Color Treatment. For a flawless finish perform a glossing service. Apply formula **D** at the basin, develop for 5 min then rinse thoroughly.
