INDRE
GENTLE DISCONNECT

Color.id tip: To prepare the natural 5/0 base color, the hair was pre-lightened using a gentle lightening technique.

CUT

A new ID for the crop. Disconnection created by texturizing and slicing.

COLOR

Dual-colored with subtle smoky beige shadowed roots and violet waves to dramatize the disconnection.

STYLE

The natural wave supports the textured finish.

ANGELA
SHAPE-SHIFTER

Color.id tip: To prepare the natural 5/0 base color, the hair was pre-lightened using a gentle lightening technique.

CUT

The style features a precision outline with a heavy fringe and minimal internal layers.

COLOR

Color is layered and wrapped around the head to give a dimensional effect.

STYLE

Soft curves through the ends create a feminine shape.

ELLE
COOL DAWN

Color.id tip: Use Color.id to only emphasize smaller focal points of the haircut.

COLOR

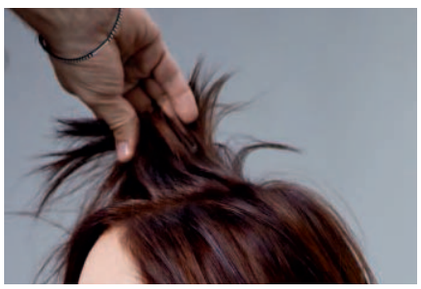

Rich and cool browns filter through the hair from the more dense area at the roots to the blended lengths, for transparency through to the ends.

STYLE

Light and airy layers work with the natural texture through to the ends of this grown-out shape.

PRODUCTS

Color: Color 1 – Koleston Perfect 6/73 + 6/75 & 6%

EVA
GLAM REFRAMED

Color.id tip: To give your client an enjoyable experience, sculpt and shape the hair into elegant ornamental shapes during the processing time.

COLOR

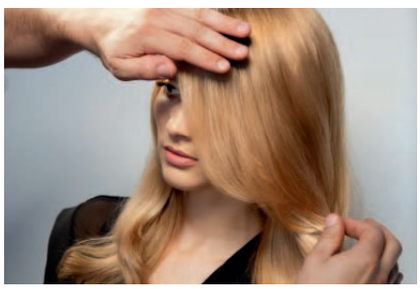

Hidden blends of natural shadows transform into pure light blonde to create a new generation of beautifully blended effects.

STYLE

Diagonal layers within a classic outline work in harmony with the movement to create this glamorous shape.

TSAGANA
PURPLE HAZE

Color.id tip: Partial creative coloring is now achievable without lots of foils.

CUT

Grown-out bob with a lived-in look to the ends, created by slice-cut techniques.

COLOR

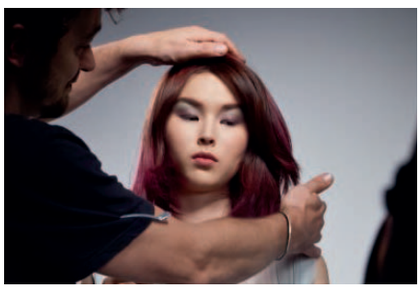

Origami folds create sequences of violet and pink tones to give an intense shine in defined areas of the hair, contrasted against a deep brunette base.

STYLE

Smooth texture is shaped through the ends.

MAITE
PAINTING SHAPES

Color.id tip: On curly hair, color each wave a different tone for maximum light reflection.

CUT

The full and rounded shape of the curls are dramatized with twist and point-cutting techniques.

COLOR

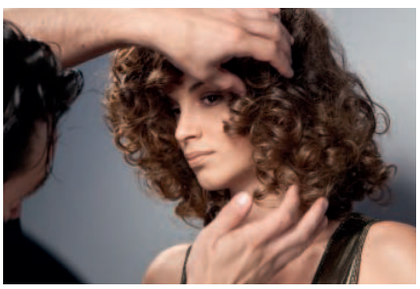

Curls are dual-colored, placing dark and light on the curve of the curl, so the light catches different tones throughout the shape.

STYLE

Pin curls emphasize the natural movement and reveal the color.
